EXPERIENCE

Carbolsas S.A.S

UX/UI Developer & Designer

Jan 2019 - Apr 2019 - 3 months, Bucaramanga, Santander

Designed and implemented user-friendly product catalog using HTML5 and PHP for Carbolsas. Streamlined access to a diverse range of products, enhancing user experience in product identification and selection.

Safero

UX/UI Developer & Designer

Jun 2019 - October 2019 - 4 months, Bucaramanga, Santander

Developed HTML5 and PHP-powered e-commerce platform for Safero. Ensured secure online transactions, safeguarding user financial information. Delivered an exceptional user experience with easy navigation on the official website.

Ready4IoT

UX/UI Developer & Designer

Aug 2020 - May 2021 - 9 months, Bucaramanga, Santander

Built the company's official website, blog, and survey system using HTML5 and PHP with Laravel. The site serves as a central hub for company information and hosts a survey section, powering a DSS system for Colombian tech SMEs

Softwow

UX/UI Developer & Designer

Jun 2020 - Dec 2021 - 2 years, Remote

Executed UX/UI design and FrontEnd development for internal projects in a development-focused company. Specialized in CSS, HTML, JavaScript, and TypeScript within the Angular framework.

Infodec S.A

UX/UI Developer & Designer

Dec 2021 - Feb 2023 - 1 year & 1 month, Remote

Worked on case resolutions, FrontEnd, and Backend development using HTML, CSS, JavaScript, TypeScript, and PHP in frameworks like Angular and Slim at a digital solutions company. Conducted meetings with Spanish-speaking clients for project presentations and issue resolutions.

Softwow

Chief Technology Officer

Feb 2023 - Now - Remote

As CTO at SOFTWOW, led technology strategy, oversaw software development, and managed IT operations. Provided technical leadership, fostered innovation, and led a high-performing team. Proficient in UI/UX design, Front-End development, and the Angular framework. Successfully delivered projects, ensuring compliance with industry standards.
